Janet Popp; [janetpopp1@gmail.com](mailto:janetpopp1@gmail.com)

## Learning Objectives

- Apply effective communication strategies to discuss the issue of falls with older adults
- Identify fall risk factors and perform 3 strength and balance tests
- Implement resources from the CDC STEADI into clinical practice to engage older adults in fall risk reduction
- Understand possible fall risk reduction referrals to other healthcare professionals and evidence based community programming

## Continuing Education

This activity has been planned and implemented in accordance with the Essential Areas and policies of the New Mexico Medical Society (NMMS) through the joint sponsorship of *HealthInsight* New Mexico and Balance for Life. The *HealthInsight* New Mexico is accredited by the NMMS to provide Continuing Medical Education for physicians.

The *HealthInsight* New Mexico designates this **regularly scheduled series** for a maximum of **3.0 AMA PRA Category 1 Credit(s)**<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The New Mexico Boards of **Occupational Therapy and Physical Therapy** have approved this activity for 3 contact hours (0.3 ceu)

**Continuing Pharmacy Education:** The University of New Mexico Continuing Education Program is approved by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmaceutical education. UAN 0039-0000-15-040-L05-P has been assigned to this Application based program for Pharmacists. This program provides a total of 3.0 contact hours (0.3 CEUs) of continuing education credit. Partial credit will not be given. You must attend the entire session in addition to completing an online evaluation with-in 30 days of the event.
